Thanks to our big, fantastic indoor space, we packed the month with heaps of enrichment activities to keep minds busy and tails happy.

Meet our new team members

Meet Karli!

I started my beautiful boy Apollo with Dogtopia last year after 6 months of pet sitting a friends cats & dogs as he became lonely after they had gone. I have been so impressed with the change in him and the care that the team showed that I jumped at the opportunity to be a part of the team. Spending my days playing with all the sweet puppies has already been a blast!

Meet Laura!

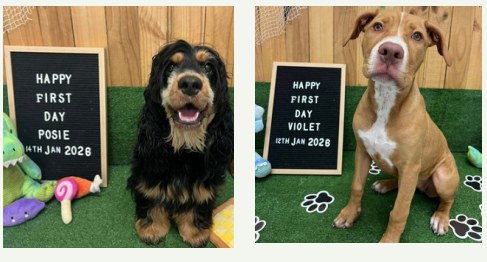

In the UK I have worked with dogs for nearly 25years and have been born and bred everything canine! After moving to Townsville a few months ago, i wanted to continue being around dogs and what better place to be than a doggy day care, especially dogtopia where you get to spend all day with happy dogs!

January's New Pooches

Welcome to all of our new Dogtopia pooches who have joined the crew this year! We're so glad to have you part of the pack!

Hydrotherapy

Hydrotherapy is now available with our very own dog handler Katie, who runs sessions at My Pet Hub using the underwater treadmill 🐶💦

Hydrotherapy is a gentle, low-impact way to support your dog's health and wellbeing, helping to build strength, improve mobility, aid injury recovery, support weight management, and boost overall fitness - all while being kind on joints. In addition to all of this, it's super fun and a great way to expend some of your pooch's excess energy!

For more information or to see if hydrotherapy is right for your dog, chat with Katie or call the friendly team at My Pet Hub on 4401 5754.

Enrichment Tip of the Month

Turn mealtime into a brain game! Try scattering your dog's food around the yard or hiding small portions in rolled towels, cardboard boxes, or snuffle mats.
This encourages natural sniffing and problem-solving behaviours, keeps minds busy, and helps burn off extra energy - especially on rainy days when outdoor play is limited.

Check out some of the enrichment activities we've been doing with the Dogtopia pooches during the wet weather!
