Valentine's Day Event

Love was in the air on Feb 13th at our Valentine's Day Event! The pooches dressed to impress for their photo shoot, showing off their adorable outfits and charming smiles. We're getting ready to celebrate Easter on March 30th & 31st! Our pups will dress up in their cutest Easter outfits for a fun photo shoot, take part in an exciting Easter egg hunt, and enjoy plenty of tasty treats. Hydrotherapy is now available with our very own dog handler Katie, who runs sessions at My Pet Hub using the underwater treadmill 🐶💦

Hydrotherapy is a gentle, low-impact way to support your dog's health and wellbeing, helping to build strength, improve mobility, aid injury recovery, support weight management, and boost overall fitness - all while being kind on joints. In addition to all of this, it's super fun and a great way to expend some of your pooch's excess energy!

For more information or to see if hydrotherapy is right for your dog, chat with Katie or call the friendly team at My Pet Hub on 4401 5754.
